

12 Powerful Questions to navigate your future coaching program

This coaching is for anyone 50+ designing and planning their next life stage.

We are the first generation to have an extra season of life.

Have you worked on your plan?

This program includes the following:

- Online profile tool called "What colour is your retirement?"
- An EBook copy of the book with the same name by Dr Richard Johnson
- An EBook called 12 Powerful Questions to navigate your future by Lynda Smith
- Four- 45 minute Skype coaching sessions to discuss your plan.
- You will receive a written report after doing your online profile
- The two EBooks will be emailed to you.
- You book your four coaching sessions to suit yourself over the next 6 months.

You will be able to work on any of the following that impacts your life:

- Talk about designing a second career
- Discuss where you want to live
- Have your financial agenda in order to discuss with your financial/investment advisor
- Manage the process of aging parents and adult children
- Talk about networking, marketing and online tools for your next season
- Talk about finding passion and purpose for this next season
- Walking this journey as a single person
- Discover your legacy.

Costs: R 4500.00
