

Dear Refirement Members

There's an opportune time to do things, a right time for everything on the earth: Ecclesiastes verse 1

As we come to the end of another year we reflect on life and often need to make decisions. In this life stage as we head for formal retirement or reaching a specific milestone like 55-60-65-70 decision and changes are part of the process. I have had one of those years and made the decision to resign from my work as CEO of BrainBoosters and to take up a non-executive role rather than an executive one. This will free me up to focus back on REFIREMENT NETWORK fulltime. I am looking forward to this challenge and hope to engage with many of you as I travel around the country doing talks, engaging with companies and individuals and changing the conversation around this life stage.

Our first public event will happen on 29 th January at a beautiful spot called Ou Pastorie in the Hartbeespoort Dam area. I am starting a series called Learning Lunches. Learning, enjoying good food and company in beautiful surroundings. [Here is a link to the event if you want to read up about it.](#) This will make a great Christmas gift for a friend or spouse. Should you be interested in helping me do something similar in your area please be in touch and we can discuss. [Link here](#)

The two EBooks make great gifts. They can be ordered via my website or by contacting me. They cost R114.00 each.

There are two events I want to highlight happening in February 2016.

The Aging Workforce Seminar on the 24 th February at The Hyatt in Rosebank: <http://www.kr.co.za/BookingRetrieve.aspx?ID=256849>
Retirement & Lifestyle Expo 2016 on the 26 th-28 th February 2016 in Cape Town <http://www.sbs.co.za/retire2016/index.php?page=home>

There are many things that I want to add to this space in 2016. This is a community and needs others to take hands and build in your part of the country. I also encourage you to join our [Facebook](#) page as well as encourage your friends to join. Together we can make a difference, live a meaningful life and celebrate the future.

I wish you a blessed Christmas and a peaceful holiday season with family and friends. Remember that there may be those that are lonely. Invite them to engage with you. Be a blessing.

Thank you for your support and encouragement this year.
