

## Dear members of Refirement Network,

I am excited about the re-branding and changes to my website. I want to thank **Chantelle Thessner**, my web designer who has worked long hours with me to complete the process - one is never completely finished as this is the shop front of your business to the world. I will value any errors you may pick up or pages that may not work to your satisfaction. All comments welcome. Please take time to go through the pages and sections.

I designed a short survey that I would value being completed. It is five short questions and will not take you more than a few minutes to complete. I am trying to understand more about my audience and your thoughts are valuable. Here is the link:  
**<https://www.surveymonkey.com/r/D2RF9GL>**

The **new article** added this month, talks about how we can re-think how we work. With the challenge in our currency are there ways you can earn some of your income through another currency? I have added one example of travel and work and the other where you don't leave your house but have the opportunity to earn a foreign currency. **Read the full article here.**

I am a great fan of the Vodacom Change the World program. **<https://www.vodacomctw.co.za/>** It is a linking of a paid skilled person with a non-profit organisation. It is a partnership that lasts for one year. Please read up on this opportunity and if you are keen to enter please make sure you meet the deadline date.

Here is a list of events in the next 30 days

- **Cape Town Retirement Lifestyle Expo. I will be speaking on Friday 26th at 14h00**
- **Finding your Unique Purpose Breakfast event at Forum Homini – Roots Restaurant on the 17th March.**

I will be travelling in the Cape for ten days at the end of the month. My promise to myself this year is to work, connect and enjoy people and places along the way. Have a wonderful month.

Warm Regards

Lynda
